Department of Dietetics & Nutrition

## About the Institution

NSHM Knowledge Campus is one of Eastern India's leading educational institutions and a pioneer of professional degree courses aligned to the industry needs. It is a place where information and ideas flow freely in an open and friendly atmosphere – "A Knowledge Hub of Global Excellence" in which students learn, share & shine. NSHM leverages the best that enables academic institutions to deliver new and more engaging models of knowledge management across campuses, thereby creating a new, vibrant and futuristic learning environment.

It's a premier education hub which offers multiple under undergraduate and postgraduate courses in various disciplines like Engineering & Technology, Business & Management, Tourism & Hotel Management, Health Sciences, and Computing & Data Analytics. The programs offered by NSHM Knowledge Campus are affiliated to Maulana Abul Kalam Azad University of Technology (formerly known as West Bengal University of Technology) and approved by AICTE.

## About the Department

The Department of Dietetics & Nutrition has started its journey since 2018 with the aim of providing students with ample opportunities to go beyond traditional classroom learning through industry-oriented workshops, interactive global seminars, case-study-based assignments, skill based pan India internships and many more. The department remains vibrant and comes with a modernized outlook with well-equipped laboratories with the latest instrumental facilities. It frequently organizes seminars, symposia, conference talks etc. to strengthen industry-academia interface.

## Vision

To be a Knowledge Hub of Global Excellence

## Mission

Bringing prosperity to the society Enhancing quality of life by imparting and advancing knowledge and skills, unleashing creative abilities and inculcating responsible and responsive values and attitudes.
