ABOUT THE INSTITUTION

NSHM Knowledge Campus is one of Eastern India's leading educational institutions and a pioneer of professional degree courses aligned to the industry needs. It is a place where information and ideas flow freely in an open and friendly atmosphere – "A Knowledge Hub of Global Excellence" in which students learn, share & shine. NSHM leverages the best that enables academic institutions to deliver new and more engaging models of knowledge management across campuses thereby creating a new, vibrant and futuristic learning environment.

With state-of-art campuses in Kolkata and Durgapur, the premier education hub offers multiple under graduate and post graduate courses in various disciplines like Engineering & Technology, Business & Management, Tourism & Hotel Management, Health Sciences, Media & Design and Computing & Data Analytics.

The programs offered by NSHM Knowledge Campus are affiliated to Maulana Abul Kalam Azad University of Technology (formerly known as West Bengal University of Technology) and approved by AICTE.

ABOUT THE DEPARTMENT

The Department of Basic Science has started its journey since 2010 with the aim of providing integrated and interdisciplinary approaches involving Mathematics, Physics, Chemistry, Statistics and Environmental Science related challenges in different sectors.

The Department has modern well-equipped laboratories with latest instrumental facilities. It frequently organizes seminars, symposia, conference talks etc. to strengthen industry academia interface.

VISION

To be a Knowledge Hub of Global Excellence

MISSION

- ◆ Bringing prosperity to the society
- ◆ Enhancing quality of life by imparting and advancing knowledge and skills, unleashing creative abilities and inculcating responsible and responsive values and attitudes.

CONFERENCE AIMS AND OBJECTIVES

This conference aims to present some recent developments in the area of optimization theory, methods, applications in engineering and social sciences. This will provide an interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, as well as practical challenges encountered and solutions adopted. National conference on "Science Technology and Management 2022 (NCSTM-22)" will also provide a platform for sharing the views and experiences related to decision making.
