An abstract is a brief summary of a review or research paper's content. It should cover background, purpose, methodology, results, and conclusion preferably in a single paragraph with a word limit of 250. At the end of the abstract mentioning the Keywords is mandatory (not more than 05 keywords). Keywords should be written in lowercase letters and should be mentioned below the main text body separated by commas. Please do not include subheadings, bullets, lists and header/footer in the abstract. Abstract titles should be short but descriptive. Informative titles, indicating key points are encouraged. No citations or references should be given in the abstract specifically.

**FONT:**
