ANALYTICS GLOBAL CONFERENCE 2023
April 28th & 29th, 2023

Presented by:
Analytics Society of India, Kolkata Chapter

Mentored by its parent body ASI, DCAL, IIM Bangalore and, NSHM Institute of Computing Analytics
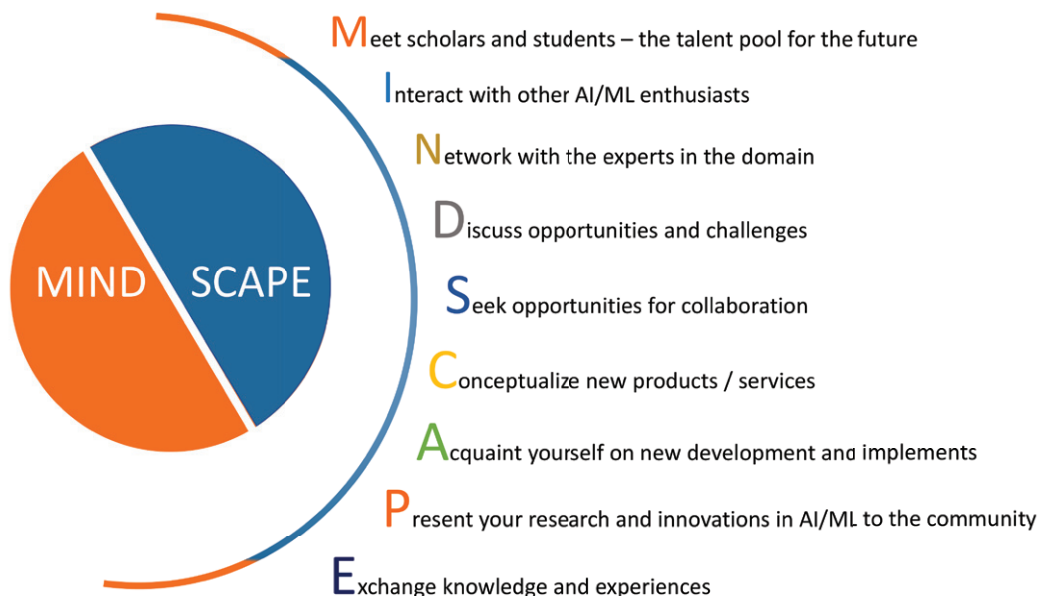

**ANALYTICS
GLOBAL CONFERENCE 2023
AGC2023**

AGC2023 Goals

Provide a platform for industry-academia collaboration towards nurturing the knowledge and application of analytics, machine learning, and artificial intelligence.

Create a forum for interaction among students, researchers, academicians and corporate professionals to exchange

knowledge and experiences, and discuss opportunities and challenges to learn and improve applications of analytics, machine learning, and artificial intelligence in industry and services for business gains.

AGC2023 is the first grand conference on analytics and machine learning in Kolkata.

MIND SCAPE

Meet scholars and students – the talent pool for the future

Interact with other AI/ML enthusiasts

Network with the experts in the domain

Discuss opportunities and challenges

Seek opportunities for collaboration

Conceptualize new products / services

Acquaint yourself on new development and implements

Present your research and innovations in AI/ML to the community

Exchange knowledge and experiences

Powered by NSHM Knowledge Campus

NSHM KNOWLEDGE CAMPUS
