

International Conference on
Pharmacy & Healthcare

NATCONPH 2023

**International Conference
on
INNOVATIVE RESEARCH AND DEVELOPMENT IN
HEALTH SCIENCES: A GLOBAL TRANSFORMATION
FROM TRADITIONAL TO DIGITAL ERA**

Kolkata – September 29th & 30th, 2023

Organized by:

NSHM Institute of Health Sciences
NSHM Knowledge Campus, Kolkata
Group of Institutions

www.nshm.com

PREAMBLE:

The International Conference NATCONPH is aimed to provide an opportunity to exchange knowledge, brainstorming on trending topics, getting to hear experts, utilizing scientific presentations, participating in intellectual discussions and all such activities that converge to apprise and illuminate the delegates on the scientific and technological advancements happening across the globe.

At NSHM Institute of Health Sciences (NIHS), the conference is annually organized to offer its participants an excellent opportunity to intermingle with stalwarts of various discipline, hearing mind blowing lectures, partaking in vigorous discussions. The takeaway components from this conference are expected to be greater knowledge, better understanding from the healthy interactions as well as building stronger collaborations for future endeavors.

ABOUT THE CONFERENCE:

In the present day, the focus of Pharmaceutical Sciences has shifted into an interdisciplinary arena amalgamating with the other healthcare domains, in the never ending quest for new life-saving and life-giving products. Welcoming domain experts to present their unique experiences through speeches and presentations, NATCONPH 2023 is being organized for the students, researchers, scientists, academicians, pharmaceutical industries, health care professionals, to come together, learn, evolve, discuss, share and get an idea of the various advances that best reflect today's cutting edge research and tomorrow's emerging technologies and developments.

HIGHLIGHTS OF THE CONFERENCE:

NATCONPH 2023, the international Conference of NIHS aims to serve as a robust platform where eminent speakers from academics, industry and research will deliver keynote presentations to share innovative ideas and world class experiences to enthuse the young learners. The interactive sessions to follow in the various healthcare disciplines like Pharmacy, Nutrition, Psychology, Optometry, Medical Laboratory Technology, Yoga and Public Health will benefit the participants, get awareness about recent updates on research and improvements of tomorrow. Panel discussions from notable professionals will also focus on challenges and opportunities in relevant sectors to bring forth openings in research and modernization, navigating several unexplored avenues to foster the interface between industry and academia. The buzz words echoing in this upcoming Conference will hopefully be..... **perceive...conceive...believe and achieve**

MAJOR TOPICS TO BE DISCUSSED:

- Pharmacovigilance: Challenges and Future Trends.
- Telemedicine.
- Regenerative Medicine in India.
- Recent development of drug design and its application for drug development
- New aspects in contact lenses
- Current advancements in the field of optometry
- Eye health and best practice model for Management
- Tele optometry
- Covid 19 Pandemic Scenario in 2022: Opportunities for Public Health Professionals
