

Odd Semester 2023

Information notified dated 18th July 2023 meant for Sem-3/5/7 Students of NSHM

Dear Student,

You may be aware that the Odd Semester 2023 have formally started from the **17th of July**. Those who are yet to register for it on CollPoll must complete the same by **19th July**. All successful **CollPoll Semester Registrations** shall be eligible for MAKAUT semester registration (20-29 July 2023). Besides, the following information are to be noted, please.

1. **NSHM Student Holiday list** of Odd Semester 2023 is available on the notice board of **nshn.com** and only the same has to be followed. Please also refer to **NSHM Academic Plan Odd Semester 2023** on Notice Board of website.
2. In this odd semester certain batches have already registered or shall be registering under NECF (**NSHM Education Curriculum Framework**), which will be MAKAUT credit courses + additional courses for enhancement of capability and competencies in line with the **NEP 2020**.
3. From next year 2024 Even Semester onward all Batches shall be registering under **NECF**
4. **Timetables** shall be on CollPoll. Those shall be dynamic. For example, new timetables shall be replacing the previous ones every 4th week or so as part of continuous improvement.
5. Please **use CollPoll as a single-window** for learning management. It will be very beneficial to all of us. For example, **NECF batches can look forward to having semester-wise transcripts comprising both MAKAUT and additional subjects with grades**. Moreover, there shall be a lot to share, collaborate, and for your valued feedback too.
6. Please try for your 100% **ATTENDANCE**. You know that less than 75% would not be acceptable.
7. **DO NOT** be a part of any unwanted situations or disciplinary issues, especially relating to the new students. Else, it shall put you in unnecessary trouble, leading to even, **suspension** or **rustication**.
8. Finally, in case of any **grievance**, as a foremost duty, **please report first to your immediate authority** like your Batch Coordinator or Program Coordinator, or grievance cell. Please **DO NOT** take your grievances elsewhere bypassing that 'duty' of yours as part of your discipline. Besides, for CollPoll or any other IT related issues you can email to **erphelpdesk.kol@nshn.com** concerning Kolkata Campus or **erphelpdesk.dgp@nshn.com** concerning Durgapur Campus.

Best Wishes,

On behalf of Academics and Student Affairs

Prof.(Dr.) Krishnendu Sarkar
